MBA TUTIONS

Foresight School has been a pioneer in the field of MBA education since 2009. We provide tuitions to students who are pursuing MBA program from various institutes.

Specialized Approach

- foresight school is the only training institute in Gujarat which specializes in MBA Tuitions. We provide exclusive coaching for all practical subjects of the MBA program in Ahmedabad. We have a very sharp focus on the needs of students who are pursuing an MBA programme from Gujarat Technological University (GTU), Gujarat University (GU), GLS University and others.

Subjects Offered

- Statistics (QA), Accounts (AFM), Economics (EFM), Financial Management (FM), Operations Research (QA II), Costing (CMA), Information System (MIS), Production & Operations Management (POM), Law (LAB), ALL FINANCE SPECIALIZATION SUBJECTS & ALL MARKETING SPECIALIZATION SUBJECTS. Other theoretical subjects of MBA Programmes are also taught on a case to case basis.

Expert Faculty

- Our students are taught by an exclusive team comprising of B K School alumni, GTU faculty members, Chartered Accountants, Financial Analysts and Ph.D. Scholars. The faculty members at foresight school have an extensive experience of teaching in MBA courses run by Gujarat Technological University (GTU), Gujarat University (GU), ICFAI, Symbiosis and others.

Content

- We make every effort to provide relevant study material to our students. Our students can access useful material in online as well as print formats. We also keep our students updated by providing content related to current affairs, economics and financial markets.

Continuous Support

- Our students have the benefit of round the clock support through various channels such as class-rooms, internet and mobile. Students are free to raise and resolve doubts at any time during the sessions. They can also contact us through e-mail or a dedicated helpline.

Placement Assistance

- We aim to be a bridge between the MBA students and corporates. We help our students in securing appropriate summer and final placement. We also guide our students during their summer as well as grand projects.

Career Counseling

- foresight school is founded by individuals who have considerable exposure in corporate as well as academic spheres. We arrange regular interactive sessions with Industry experts and faculty members of GTU affiliated B-schools to guide our students.
