Our Alumni Speak

Cleared my CFA L1 and FRM L1 from Foresight School. All the faculties are knowledgeable and well informed. Proper guidance is also given for matters other than relating to the course curriculum. Would definitely recommend for the finance courses.

The coaching at Foresight School was the most contributing factor in my clearing the FRM L1 Exam in the first attempt. Mr. Mikin Shah carries an indepth knowledge of the subjects and he supplements the book learning with practical examples in the financial world. He is also flexible enough to accommodate our hectic professional schedules.
